There are no openings available at this time.

Lateral Attorney:

With substantial experience, exceptional qualifications and a self-sustaining book of business that is compatible with, and complementary to, our areas of expertise, have you considered non-associate paths such as a lateral non-equity partnership position? Firms like ours sometimes consider that option for exceptionally qualified, experienced, self-sustaining and DC-barred lawyers. Such positions are not salaried, but the relationship, if successful, may mature into a full partnership position.
